THE DAVA WAY ASSOCIATION

Minutes of the Board of Trustees Meeting held 16th October 2018

Venue: The Hub, 20 Tolbooth Street, Forres, Moray, IV36 1PH

Meeting Opened: 19:00

| Item | Minute | | Action By |
|------|--------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| 1 | Welcome: | Neil Sinclair chaired the meeting and welcomed members. As the board was not quorate (5 trustees present in person; ref clause 85 of the DWA Constitution) it was decided that reports from the trustees, both verbal and written, should be presented and minuted but no valid decisions could be made (ref clause 86 of the DWA Constitution). | |
| 2 | Present: | Neil Sinclair (NS), Paul Barron (PB), Robbie Roberts (RR), Trevor Thornley (TT). | |
| | Apologies: | Doug Hartley (DH), Malcolm Campbell (MC), Norman Thomson (NT), Pete Mitchell (PM). | |
| 3 | | he last meeting: The minutes of the Dava Way Association meeting held on 11/09/18 were read and accepted. | |
| | Proposed: | PB Seconded: RR | |
| 4 | Matters Aris | ing from the last meeting | |
| 4.1 | Ref 4.1: | NS noted from MC's written report that he has delivered the letters to those residents who have expressed concern about Army exercises along the Dava Way (DW). They have been advised to report any concerns directly to the Army at Kinloss Barracks. Action closed. | |
| 4.2 | Ref 4.2: | TT reported that he has inserted a requirement for participation consent into the draft Safeguarding Policy. Action closed. He will submit the revised document for approval at the next meeting. | ТТ |
| 4.3 | Ref 4.3: | NS noted from MC's written report that he has contacted Ian Douglas, Moray Council Access Manager, and raised the omission from the current Cairngorms National Park Core Paths Plan of an intersection between the DW and Speyside Way in Grantown-On-Spey. Ian Douglas has contacted his counterpart in the Cairngorms National Park Authority and raised the issue with them. Action closed. MC also reported that the Moray Way Upgrade Steering Group (MWUSG) is being reconstituted with the Moray Way Association (MWA) as lead organisation. The MWA are looking for additional support and MC has stated his intention to volunteer. | |
| 4.4 | Ref 4.4: | NS reported that he has painted the second picnic bench at the BBC Breathing Space at Dunphail, carried out a clean- up of the pond and completed a general litter pick and tidy | |

| 4.5 Ref 4.5: Up of the immediate area. Action closed. Action held over. TT will submit the verified route of the DW to Ordnance Survey (OS) for update, on completion of the Moray Core Paths Plan 2018 review. Ref 4.6: NS noted from MC's written report that he has written to Seafield Estate to propose some options for improving access at the Dragoon Crossing. David Greer of Seafield Estate has responded that he sees no reason why the DWA should not change the gate to one more suitable for pedestrian access, provided he is kept informed of progress. Action closed. NS noted that the gate change may not be required, subject to a decision on relocating the Dragoon sculpture. NS noted from MC's written report that he has purchased a DW route badge and has sent this to Andrew Wallace along with details of how to make a donation to the DWA. Action closed. Ref 6.1.1: NS noted from MC's written report that he has replied to the Dramathon organisers to let them know that, due to prior commitments, no members would be available to assist on this occasion. Action closed. Ref 6.1.2: NS noted from MC's written report that he has replied to the Transport Scotland email re dualling of the A96, expressing DWA support for the northern route and registering an objection to the southern route as it would significantly impact the rural character of the DW route south of Dallas Dhu. Action closed. Ref 6.1.3: NS noted from MC's written report that he has copied the Tree Preservation Order (TPO) for Dallas Dhu to the DWA Trustees for comment, collated their comments and submitted a response to Moray Council. Altyre Estates have also been advised of the DWA response. Action closed. Ref 6.2.2: No loted from MC's written report that he has raised the resiting of the Dragoon sculpture as an agenda item (see Item 15 below). Action notes from Ringlink Services Ltd to PM. PB also confirmed that PM has scanned a copy of each certificate to the DWA DropBox for reference and has distributed the certificates to the trainees. Action closed. | | | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|-------------|--------------------------------------------------------------|---------|

| 12.3 | FCS Community Fund | |
| | Ref 13.3.3: PB reported that there will be no further funding from the | |
| | Forestry Commission Scotland (FCS) Community Fund. The Forestry and | |
| | <u>Land Management (Scotland) Act 2018</u> devolved forestry in Scotland to the Scottish Government under a new <u>policy framework</u> . The duties of | |
| | Forestry Commission Scotland will soon be transferred to a new agency | |
| | called Scottish Forestry. Action closed. | |
| 13 | Ghost Train Walk 2019 | |
| | Discussion held over to next meeting. | |
| 14 | DWA Annual Members Meeting 2018 | |
| 14.1 | Ref 14.2: NS noted from MC's written report that he sent out the invitation | |
| 14.2 | to DWA members, and volunteers, on 26/09/18. Action closed. | |
| 14.4 | Ref 14.3: Action held over. NS will prepare the DWA Chair's Report on the activities of the DWA (see clause 29.1 of the DWA Constitution). | NS |
| 14.3 | Ref 14.4: PB reported that he has drafted the DWA Trustees Annual | _ |
| | Report (TAR) for approval by the DWA accountant and the trustees, | |
| | ready for submission to the Office of the Scottish Charity Regulator | |
| | (OSCR). Action closed. PB stated that, as the board was not quorate, the TAR could not be | |
| | approved. PB will arrange another DWA BoT meeting to approve the | |
| | 0 11 12 | |

| 14.4 | TAR, at a suitable date prior to the AMM. Ref 14.5: Action held over. PB will prepare the DWA Treasurer's Report | РВ |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| 14.5 | and produce copies of the DWA TAR for consideration by the DWA members (see clause 29.2 of the DWA Constitution). Ref 14.6: NS reported that MC has provided him with details of the food | РВ |
| 14.6 | and drink required for the AMM. Action closed. NS will purchase the food and drink for the event. Ref 14.7: Action held over. NT will provide a presentation on the work of | NS |
| | the DWA. | NT |
| 15 | Re-siting of Dragoon Sculpture Discussion held over to next meeting. | |
| 15 15.1 15.2 | AOCB PB noted that clause 4.3 of the DWA Constitution requires the organisation "to advance the education of the public concerning the environment along the route and the historical influences of the Highland Railway line on the communities along the route". He queried if the DWA should form closer ties with the Highland Railway Society (HRS), possibly through group membership, and asked if the DWA website links to the HRS website. NS offered to carry out some preliminary research for discussion at the next meeting. RR reported that contractors have been working on the drainage/sewer system below the Sanquhar Mains Farm Bridge. There have since been no further problems with water overflow. | NS |
| 16 | Date of the Next Meeting: 19:00 13/11/2018 at The Hub. | |

Meeting Closed: 21:15

Neil Sinclair Chairman

Dava Way Association
